Imagine a fun, playful camp where your counselors include Speech and Language Pathologists, Occupational Therapists, Teachers, and Social Workers. Activities are tailored to individual abilities within social play.

## Individualized Therapeutic Strategies Embedded in Fun!

Last year, we adapted our summer program for covid by limiting sessions to one class per day with 6 students, no volunteers, and highly restricted access for non-campers. This year we will continue to offer single week-long sessions from 9-2 daily with a maximum of 10 students. We will also continue to limit building access to non-campers and maintain thorough daily cleaning. Camps run from June 14<sup>th</sup> to July 30<sup>th</sup>. Masks are required for all students and staff. Students bring packed lunch and water bottle.
